Prompt Payment:

Buyer must make the payment promptly on due date as per agreed terms. All overdue payments will attract interest @12% per annum, chargeable by seller to the buyer.

In case payment terms not complied as per contract, seller reserves the following rights:

- a) To Re-posses the machine, accessories, etc. supplied under the contract
- b) To withdraw the warranty offered
- c) To refuse to extend the services & spare parts support.
- d) To forfeit the payments received so far against the contract and offset any other Payment received from the buyer.
- e) Any other action suitable to recover the loss suffered by the seller against the Contract.

BANK CHARGES

All bank charges outside Vietnam will be to Makino's account and all bank charges within Vietnam will be to your account. In case of a Restricted L/C, all bank charges within Vietnam and outside Vietnam will be to the account of buyer. Second advising Bank charges if any shall also be to the account of Buyer.

INSPECTION

Machine will be inspected as per Makino's Standard. A copy of Inspection Report will be sent along with the consignment. If inspection at the factory is requested, the buyer is responsible for the preparation of the travel documents 3 weeks ahead of given date. All expenses related to overseas travel, boarding, conveyance and all other incidental expenses will be to the account of Buyer

TRAINING

At Site : Operational and periodical maintenance training will be given
At Our Technical Centers : Basic programming Training will be given.

Training will be free of cost. However all expenses related to Local travel / Boarding / Local conveyance and all other incidental expenses will be to your account. The duration of training and number of Engineers to be trained can be mutually discussed and agreed upon.

DELIVERY

Ex-factory delivery of the Machine will be 12-16 weeks from the date of Purchase Order. Any delivery time quoted takes effect only after receipt of down payment or LC wherever applicable. Delivery time is subject to approval of METI documents from METI Japan or TSC documents from TSC Makino Singapore, as applicable.

Any time or date of delivery given by the seller is made in good faith and intended as an estimate. The seller shall be held in no way responsible for any consequences arising from any variation in the quoted delivery time.

PACKING & SHIPMENT

Seller arranges seaworthy packing. The machine will be mounted on wooden / steel skid and vacuum pack with aluminum foil or by Wooden or Plywood box or in metal case. All accessories shall be packed in wooden Case and will be shipped by seaworthy vessel.

INSURANCE**CIF contract:**

Seller arranges insurance coverage for 110% of CIF value. The insurance coverage is only up to the port of discharge. The insurance ceases once the consignment is de-stuffed. Seller suggests buyers to take suitable insurance coverage for machine unloading, movement, erection and commissioning etc. and also if required to transport consignment after de-stuffing.

It is an onus on the Buyer or the End-user to cover the risk of the machine after delivery to their Factory. Until full payment is made to seller, the buyer or the end-user shall insure the machine at full purchase price against all risks and provide insurance policy copy to the seller.

FOB contracts:

Transit insurance for the machine is responsibility of buyer & to be arranged by buyer.

It is an onus on the Buyer or the End-user to cover the risk of the machine after delivery to their Factory. Until full payment is made to seller, the buyer or the end-user shall insure the machine at full purchase price against all risks and provide insurance policy copy to the seller.

WARRANTY

For Machines from Japan:

The mechanical parts shall have Warranty against material and manufacturing defects for 12 months from the date of commissioning or 13 months from the date of shipment.

For Machines from Singapore:

The mechanical parts shall have Warranty against material and manufacturing defects for 12 months from the date of commissioning or 13 months from the date of shipment.

For Machines from China:

The mechanical parts shall have Warranty against material and manufacturing defects for 12 months from the date of commissioning or 13 months from the date of shipment.

The above Warranty is subjected to proper storage, handling of the machine after installation and commissioning. Makino shall not be responsible for any damage caused to machine due to improper storage, accidents and any improper handling of the machine.

Any parts under warranty period shall be supplied free of cost on CIF basis. The Statutory levies such as customs duty etc as applicable for replacement parts shall be to the account of buyer. All the defective parts shall be returned by buyer to the seller and all the related expenses in connection with returning of defective parts shall be to the account of buyer.

CNC Control & Drives: (FANUC Warranty) – For HMC or VMC Machines:

FANUC Warranty the CNC control, Servo drives and Motors as per Fanuc Warranty Terms and Conditions for a period of 24 months from the date of commissioning or 25 months from the date of shipment, whichever is earlier.

AFTER SALES SERVICE:

During the warranty period the service shall be free of cost.

During Fanuc warranty period, the seller shall co-ordinate for all the service calls with Fanuc.

METI / TSC DOCUMENTATION:

The Machine shall be supplied subject to approval by Ministry of Economy, Trade and Industry (METI) Japan / Trade Security Control of Makino Asia Pte Ltd. Buyer shall provide the necessary documents for getting export license from METI Japan / TSC approval. The delivery dates are also subject to METI / TSC Clearance. In case order cancelled due to reasons of non-approval of METI / TSC, either party will have no claim against each other. Those machines require Export License from METI Japan, may be installed with the option to detect movement of the machine.

CANCELLATION:

The buyer shall cancel the order only with the consent of the seller. In the event of cancellation, down payment money received by seller from the buyer will be forfeited. However this will not relieve the liability of buyer to reimburse seller for any loss arising out of such cancellation.

TITLE:

As per latest Inco terms in force. In cases of shipment contract like FOB, risks transferred to the buyer once the goods loaded on to the vessel or handed over to the transporter and shipment information given to the buyer.

However title remains with the seller until the seller receives 100% payment for the goods supplied. Seller retains the first lien on the goods until 100% payment received as per contract and confirm by Chief Executive Officer of seller.

COST & RECOVERY

All expenses, costs or disbursements incurred in recovering any outstanding monies including all search fees, debt collection fees, solicitor's fees and all legal costs will be paid by the buyer.

INTELLECTUAL PROPERTY:

Software and hardware is developed by the seller and supplied on a license basis. The intellectual property rights, design artworks and source code remain as the property of the seller unless a prior agreement to the contrary has been reached.

FORCE MAJEURE:

Both buyer and seller shall not be held responsible for any delay in delivery or non-delivery of goods or consequences arising out of the

interruption of its business by Acts of God, riots, civil commotions, insurrections, wars, acts of terrorism, or by any strikes of lockouts or any other causes beyond its control. However the affected party will advise the other party such occurrence within 14 days of such happening. In case the force majeure situation lasts for more than 3 months, both parties shall have the right to cancel the contract. In such situation, both buyer & seller will have no claim against each other.

JURIDICTION:

All disputes in connection with this contract or the execution thereof shall be settled through friendly negotiations. In case no settlement can be reached through negotiations, the case shall then be submitted to Ho Chi Minh City Courts, Vietnam. Any dispute or action in relation to these terms and conditions of contract shall be subject to the absolute jurisdiction of Singapore Courts & the Laws of the Republic of Singapore. The legal fees shall be borne by the losing party.

SCOPE:

These terms and conditions of trading are additional to and together with any others terms communicated in respect of the sales of goods or services. These terms and conditions of trading shall operate to the exclusion of any terms and conditions to the contrary effect expressed in any of the buyer order forms or other documentation.

VALIDITY OF QUOTE

The offer is valid for a period of 30 days from the date of this quotation.
